

# JoshDiff

85W-140 GL-5 Differential Oil

---

## Product Description

JoshDiff is a premium Mineral (Group I/II) Differential Oil designed for Rear axle differentials, heavy-duty hypoid gears, 4WD transfer cases. Meets API GL-5, MIL-PRF-2105E, ZF TE-ML 05A specifications and delivers exceptional performance in demanding conditions.

## Technical Specifications

Density at 15°C	<b>0.900 g/cm<sup>3</sup></b>
Kinematic Viscosity at 40°C	<b>400 cSt</b>
Kinematic Viscosity at 100°C	<b>29.5 cSt</b>
Viscosity Index	<b>95</b>
Flash Point	<b>210°C</b>
Pour Point	<b>-18°C</b>
FZG Load Stage	<b>Pass 12</b>
EP Additive	<b>Sulfur-Phosphorus</b>
Timken OK Load	<b>55 lbs min</b>

## Applications

Rear axle differentials, heavy-duty hypoid gears, 4WD transfer cases

## Performance Standards

API GL-5

## Handling & Storage

- Store in a cool, dry place away from direct sunlight
- Keep container tightly closed when not in use
- Shelf life: 36 months from date of manufacture
- Do not mix with other lubricants
